

Dr. Sarathchandraprasad T

Project Scientist I

Department Name: Past Climate and Ocean Studies.

Desk No: +91-832-2525626

Email: tsarath@ncpor.res.in.

Field of Specialization

Marine Sediment Geochemistry

Current Research Activities

Paleoenvironmental and paleoclimatic reconstructions along the Eastern Antarctic Continental Margin using sedimentary inorganic geochemical proxies.

Academic Record

Ph.D. in Marine Science, Goa University, Goa.

M.Sc. in Marine Geology, Cochin University of Science and Technology (CUSAT), Kerala.

Research Areas

Paleoclimatology, Paleoceanography, and Paleo monsoon studies, with a regional focus on the Arabian Sea, Bay of Bengal, Kerguelen islands, and Antarctic Zone.

Professional Record

2022-till date: Project Scientist I at National Centre for Polar and Ocean Research (MoES), Goa.

2018 - 2022: Research Scientist B at National Centre for Polar and Ocean Research (MoES), Goa.

2012-2016: Project Assistant at National Institute of Oceanography (CSIR), Goa.
